On Summer Dinner at the Conference Center, the person in the red costume is performing a traditional dance.

(0000000000000000)

"Of course it is very interesting to know how humans can learn. However, this is not necessarily the best way for creating an artificial learning machine. It has been noted that the study of birds flying was not very useful for constructing the airplane"

Vladimir N. Vapnik

[The Nature of Statistical Learning Theory]
